

Crying My Last Tear For You

AK-107

Called by Brad Caldwell

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
When you left me lonely here
I thought that I would drown in tears
As one would wipe away, another one...
Allemande left and weave
Drop by drop as time went by
Swing the girl, promenade tonight
Then I cried my last tear for you

FIGURE

Heads square thru 4 hands you go
Round the corner dosado you go
Swing thru and the boys run right
1/2 tag, scoot back tonight
Boys run right, slide thru and swing
Swing the corner, promenade the ring
Then I finally realized today

TAG

Then I cried my last tear for you
