

## **My Past is Present**

AK-108

Called by Nickey Zimmerman

### OPENER - MIDDLE BREAK - CLOSER

Circle left

\*My past is present in an hourglass dress

My head is spinning and I can't get my breath

Left allemande, do a dosado

Left allemande, weave the ring

She made her entrance and she looks like a dream

Swing that lady, promenade her I sing

All conversation just came to an end

This situation's really doing me in

### FIGURE

Heads square thru 4 hands around

Find that corner, do a dosado

Swing thru, let the boys run right, bend the line

Do a right & left thru, turn the girl around

Pass the ocean, recycle around

Swing that corner, promenade her back home

I try to tell myself it's all a mistake

My past is present and it's all I can take

### ALTERNATE LYRICS

\*My past is present with some stranger in tow

Why she looks happy boys, I don't want to know

\*My past is present and it throws me a curve

I want to tell her but I don't have the nerve
