

Suspicion

ENIS-2500

Called by Sonny Coats

OPENER Sides face grand square
Every time you kiss me, I'm still not certain that you love me
Every time you hold me, I'm still not certain that you care
Circle left
Even though you tell me you really, really, really love me
Allemande left, promenade
Do you say the same words to someone else when I'm not there

FIGURE
Heads square thru 4 hands around and do a dosado
Swing thru and then boys run and ferris wheel
Center two get a right and left thru
Square thru and go three hands around
You swing and promenade her in time
Maybe I'm suspicious
Cause true love is so hard to find

MIDDLE BREAK
Four ladies chain you turn that girl and chain her home now
Join hands circle left
Allemande left, weave the ring
Suspicion ... torments my heart
Suspicion ...
Swing, promenade
Suspicion ... why torture me

CLOSER
Sides face grand square
Darling if you love me, I beg you wait a little longer
Wait until I drive all these foolish fears out of my mind
Circle left
Why can't our romance just keep on going, growing stronger
Allemande left, promenade
Maybe I'm suspicious
Cause true love is so hard to find

TAG
Maybe I'm suspicious, cause true love is so hard to find
