

## Seminole Wind

GRD-1000

Opening:

Circle Left

Ever since the days of old Men would search for wealth untold

The men star right one time you go

Left allemande and weave

So, blow, blow Seminole wind

Swing and Promenade again (Blow like you're never gonna blow again)

I'm callin' to you like a long-lost friend

But I know who you are

Figure (twice for heads, twice for sides)

Heads (sides) Promenade halfway you go

Pass the ocean, extend and go

Girls trade, Swing through and then

Boys run and couples circulate

Bend the line, Slide through and then

Swing the corner promenade my friend

\*I'm callin' to you like a long-lost friend

But I know who you are

\*I listened close and I heard the ghost

Of Oseola cry

Middle Break

Grand Square

So, blow, blow Seminole wind

Blow like you're never gonna blow again

I'm callin' to you like a long-lost friend

But I know who you

Allemande Left and Weave

And blow, blow from the Okeechobee

All the way up to Micanopy (Swing and Promenade)

Blow across the home of the Seminole

The alligator and the gar
