

Little Rock 'n' Roll Angel

GRD-1006

CALLED BY

Tim Marriner

OPENER

Sides face, grand square

Little rock 'n' roll angel's got a style that's the talk of the town

She causes traffic jams and staring in every crowd

Circle left

Just one look's not enough, the boys think she's tough

She's the best,

Left allemande, promenade

Yeah, she looks so good, she'll make you forget all the rest

FIGURE

Heads square thru four hands around you go, dosado

Swing thru, boys run,

bend the line, right and left thru

Pass the ocean, recycle,

swing that girl and promenade

'Cause deep down inside you know an angel's gotta rock and roll

MIDDLE BREAK - CLOSER

Sides face, grand square

Singin' oo-la-la, don't ever stop that rock and roll

Keep makin' those pretty girls, the kind we like to hold

Allemande left and weave

Bring back the jumpin' jukebox, put 'em in the places girls go

Swing and promenade

'Cause deep down inside you know an angel's gotta rock and roll
