

I Fill It With You

SE-109

Called by Joe Goins

OPENER - CLOSER

Circle left

I feel it with you, I feel it tonight

I feel we could make it together

Walk around your corner, see saw round your own

Left allemande that corner, weave that ring now

I feel it with you, I feel it tonight

Swing your lady round, promenade and treat her right

I feel it with you, it feels so right

I feel we could go on forever

FIGURE

Heads (sides) pass thru, cloverleaf and go

Double pass thru, track two you know

Now when you're through swing thru, girls u-turn back

You ferris wheel into the middle and go

Square thru 3, 3/4 round you go

Allemande left, skip one girl, then you promeno

I feel it with you, I feel it tonight

I feel we could make it together

MIDDLE BREAK

Sides face, grand square

I feel it with you, I feel it tonight

I feel we could make it together

I feel it with you, it feels so right

I feel we could go on forever

Four ladies chain, it's straight across that ring

Turn & chain 'em back, roll promenade I sing

I feel it with you, it feels so right

I feel we could go on forever

TAG
