

Handcuffed To A Heartache

SE-114

Called by Joe Goins

OPENER

Circle left

Handcuffed to a heartache-no escape at daybreak

Shackled to a love that wouldn't last

Left allemande your corner, turn your partner right

Left allemande that corner, weave that ring

Handcuffed to a heartache, no escape at daybreak

Swing your lady round and promenade

No freedom from my sorrow, no freedom for tomorrow

As long as I'm a prisoner of the past

FIGURE

Heads (sides) promenade, travel 1/2 way round

Come down the middle and do the right & left thru

Flutter wheel straight across, sweep 1/4 more

Pass thru and do the right & left thru (veer left)

Ferris wheel and now those centers pass thru

Swing that corner girl and promenade

No freedom from my sorrow, no freedom for tomorrow

As long as I'm a prisoner of the past

MIDDLE BREAK - CLOSER

Sides face, grand square (32 beat interlude)

4 ladies promenade, one time round

Swing your man around and promenade

No freedom from my sorrow, no freedom for tomorrow

As long as I'm a prisoner of the past

TAG
