The Dragon

TT 004

Open

Sides Face, Grand Square

There once was an old man who loved power and glory
But in his long life he just had never won
So he had a dream, let us call it obsession
To stand in the middle, be admired by everyone

All four ladies promenade you go walk inside the ring

Get back home swing your boy around and you all promenade

He wants to fight the dragon, he wants to kill the beast
He wants to fight the dragon, he wants to kill the beast

Figure

Heads you square thru go four hands around

Find the corner lady do a **dosado** one time around

You **touch** $\frac{1}{4}$ now – **split circulate** one place

Do a **single hinge, girls trade – spin the top**

All the girls move up and then

Recycle round and the **girls fold**

Swing your corner there and then you all **promenade**

He wants to fight the dragon, he wants to kill the beast
He wants to fight the dragon, he wants to kill the beast
