Windy town

TT 007

Open

Circle left

Driving down from the highland line

We done some gigs on the Clyde and the Tyne

Left alemande your corner, **turn your partner right**

Left alemande and you **weave the ring**

And on the bus there is a friend of mine

We go way back to the scene of the crime (or: **swing and promenade**)

We sit up front and share a cigarette

And try to remember what we tried to forget

Figure

The **heads square thru** and count it **four** hands you know

Find the corner lady and you do a **dosado**

Swing thru – the **boys run right**

Bend the line, right and left thru turn your girl

All **pass the ocean** here – **swing thru**

Swing your corner girl and then you all **promenade**

We sit up front and share a cigarette

And try to remember what we tried to forget

Break & Close

Sides face grand square

He say "Do you remember?"

He say "Do you recall?"

I say yeah I remember, oh, I remember it all

Alemande left and **weave the ring**

Every time that cold wind blows

Every time I hear that sound (or: **swing and promenade**)

Late night trains shunting down by the river

I remember windy town

Tag
