## Julia TT 013

### **Opener/break**

#### **Circle left**

Eyes so bright, so big and wide

or

#### **Sides Face Grand Square**

Left alemande your corner girl

or

Eyes so bright, so big and wide

Turn the partner by the right

or

Make you feel so strange

Alemande left your corner, weave that ole ring

or

Somewhere deep inside

It's the face of an angel

Soul of the devil may care

swing your girl and promenade

How I'd love to know

What goes on in there

### **Figure**

The heads square thru, count it four

Round your corner, dosado in time

You touch a quarter, those centers trade

Centers run right, do a half tag, boys trade

Swing thru, girls run right, girls fold

Swing your boy around and promenade

#### **\*Fig 1**

Julia, which way will you go

#### **\*Fig 2**

Julia, I wanna know

#### **\*Fig 3**

Julia, only the moon and stars

#### **\*Fig 4**

Julia, know just where you are

\*or choose one for all four figures

### **Closer**

#### **Sides Face Grand Square**

See the dance that needs no alibi

Oh you don't need to dream

When you know you can fly

#### **Alemande left and you weave**

She needs your love

She needs it every day

But speak of love

See her laugh and run away

### **Tag**

#### **Swing**

Julia, which way will you go

Ju-li-a
