

It Only Hurts Me When I Cry

Called By Joe Valvo

MAR-201

OPENER - MIDDLE BREAK - CLOSER

Circle left

The only time I feel the pain
Is in the sunshine and the rain
Left allemande, dosado her
Left allemande, weave the ring
Unless you count when teardrops fall
Swing and whirl and promenade her
I tell the truth except when I lie
It only hurts me when I cry

FIGURE

Heads square thru count 4 now
Round that lady dosado
Swing thru and let the boy run right
Bend the line, right and left thru, turn your girl
Pass the ocean, recycle round you go
Swing and whirl, promenade her
I tell the truth except when I lie
It only hurts me when I cry
