CIM-1106

Called by
Chris Foggatt

OPENER - MIDDLE BREAK - CLOSER

Circle left

I still get that honeymoon feeling
After all these years my heart goes reeling
Men star right once around you go
Left Allemande and Weave that ring now
Even though
Swing your girl, promenade the line
Every time we love
I get that honeymoon feeling again

FIGURE

Heads (Sides) Flutterwheel, once around
Same 2 Square Thru four hands you go
Meet those two, Circle Four, Make A Line now, up & back
Star Thru, Square Thru go 3
Corner Swing, promenade her for me
Every time we love
I get that honeymoon feeling again
