

Love Talks

DR-1017

Called by
Hal Dodson

OPENER - MIDDLE BREAK - CLOSER

Do an allemande left in the alamo style and balance in and out
Swing thru, go forward 2, and balance there again
Swing thru, go forward 2, turn thru and then
Allemande left with the corner and weave around the ring
And when I want my lady's heart to listen
I swing my lady round and promenade the ring now
Love talks...love talks
And she loves what it's got to say

FIGURE

All four ladies chain 3/4 around
Those heads do a right & left thru
Star thru and then double pass thru my friend
Track 2 and then when you're through
You turn thru and then that corner you swing
Left allemande new corner and promenade that ring because
Love talks...love talks
And she loves what it's got to say

TAG

And she won't ever walk away
