Vocal By Bill Sigmon

OPENER - MIDDLE BREAK - CLOSER

Circle left

*The band had just started when they walked in the door
He set her at a table, strolled out on the floor
The men star right, roll it one time and then
Left allemande, now you weave that ring
She was the steal of the night
Dosado and promenade 'em tonight
**Her long hair blowin' and her jeans so tight
She was the steal of the night

FIGURE

And now those heads (sides) promenade halfway around you go
Come down the middle and square thru 4 hands around and then
4 hands and then, well a right & left thru you know
You roll away, box the gnat, hang on and then
Square thru 3/4 round
Trade by and swing the corner, promenade 'em home
Her long hair blowin' and her jeans so tight
She was the steal of the night

ALTERNATE LYRICS

*We danced every slow one the band could play
Was it ever this easy for ol' Jesse James

*The band stopped playin', we walked to the car
As I drove away, he ran out of the bar

**I held her close, and it felt so right
