### **OPENER**

Circle left

\*I've been going down that long, lonesome road, boy  
I've been doin' it for a while

Left allemande that corner, run home a dosado

The men star left about a mile, turn your partner by the right

The corners allemande, swing your lady, promenade

\*\*Like the bluebird I will fly away

And I'll find a rainbow in my dreams

### **FIGURE**

Those heads promenade halfway you know

Lead to the right & do a dosado

Swing thru and then, boys run to the right

Bend the line and a right & left thru you know

Square thru and count 'em 4 hands around the ring

Swing the corner lady, promenade

\*\*Like the bluebird I will fly away

And I'll find a rainbow in my dreams

### **MIDDLE BREAK - CLOSER**

\*The bluebird has no money, the bluebird has no kin

\*\*The bluebird wears no time clock, he answers to the wind
