OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade one time around
Gonna get back home and swing with your man
Join hands circle to left go walkin' round
Allemande left and weave around the ring
Stop, look and listen baby
Swing that lady round and promenade
It's called rubberneckin' baby
And that's alright with me

FIGURE

Head couples promenade halfway around
Side two do the right & left thru
Now square thru and roll it 4 hands around you go
Dosado and do an eight chain 4
Standin' on the corner
Swing and promenade that floor
I like what I see, I see what I like
It gives me something more, hey, hey, hey
