

Round, Round Round

(KDM-124)

Called by: Kevin Kelly Perth, Western Australia

Opener, Closer

Allemande left in the Alamo style, you balance there and then
Your gonna swing thru forward two, balance once again
Swing thru, forward two, and then turn thru
Well you left allemande and weave that ring
*Find a wheel, and it goes round, round, round
Well you swing your girl and promenade the town
#As it rolls along the ground, ground, ground
Till it leads you to the one you love

*Find a ring and put it round, round, round
#Put it on the one you've found, found, found
For you know that this is really love

Figure - twice for Heads, twice for Sides
Heads square thru and give me four
Find your corner, make a right hand star and then
Heads star left one time you know
Same two go right and left thru, and here we go
Swing thru, come on and do it twice
Swing your corner girl, promenade so nice
#As goes along the ground, ground, ground
Till it leads you to the one you love

#And your head goes spinning round, round, roundCause you know that this is really love

Middle Break

Four ladies chain, turn the girl you know
You're gonna roll away, circle left and go
Four ladies roll away, and circle then
Well you left allemande and weave that ring
Find a wheel, and it goes round, round, round
Well you swing your own, promenade the town
And your head goes spinning round, round, roundCause you know that this is really love
