

Rock Me By The Fire

(KDM-131)

Called by: Janice Alexander Melbourne, Australia

Opener

(Circle left)

Tonight's the kind of night poets like to write about

The moon is throwing shadows on the wall

Allemande left with the corner, turn partner right

Left allemande left and weave the ring

C'mon and rock me by the fire, keep me warm
Swing that girl around and promenade

I ain't had this much affection since the day I was born, honey

Rock me by the fire, keep me warm

Figure - twice for Heads, twice for Sides

Heads lead right, veer left, bend the line

Pass thru, wheel and deal and then

Double pass thru, first couple go left, the next go right

Right & left thru, turn that girl

Slide thru, square thru, go three hands around

Swing your corner girl and promenade

I ain't had this much affection since the day I was born, honey

Rock me by the fire, keep me warm

Middle break

Four ladies chain, go straight across that ring

Roll away, circle to the left
Four ladies roll away, circle left and now

Allemande left with the corner, weave the ring
C'mon and rock me by the fire, keep me warm

Swing that girl around and promenade

I ain't had this much affection since the day I was born honey

Rock me by the fire, keep me warm

Closer

(Sides face, grand square)

Rock me by the fire, keep me warm
Let me be your shelter from the storm
I ain't had this much affection since the day I was born, honey

Rock me by the fire, keep me warm

Allemande left and weave that ring
Rock me by the fire, keep me warm

Swing your girl around and promenade

I ain't had this much affection since the day I was born, honey

Rock me by the fire, keep me warm
