

You Can Do Magic

(KDM-134)

Called by: Chris Froggatt Sydney, Australia

Opener, Closer

Four ladies chain, cross you know
Turn with that girl, chain her right back on home
Join up your hands, circle to the left round I say
Allemande your corner, now weave the ring
I couldn't believe it, you took my heart
Swing your girl, promenade you know, take her all about
Now I know there can be no doubt

Figure - twice for Heads, twice for Sides

Heads promenade, go halfway
Lead to the right, circle four there I say
Make a line, whoop to the middle & back, pass the ocean now
Men circulate one time, spin chain thru
Magic
Girls circulate, and you swing, promenade the ring
Magic, and you know you're the one Who can put out the fire

Middle break and Closer

Sides face, grand square
You know darn well, when you cast your spell
You get your way, when you hypnotize
With your eyes, a heart of stone
Can turn to clay (circle left)
Magic
Left allemande and you swing, you promenade the ring
Magic, and you know you're the one Who can put out the fire
