

## **I Gotta Be Me**

(KDM-145)

Called by: Chris Froggatt Sydney, Australia

### Opener

(Sides Face, Grand Square)

Whether I'm right or whether I'm wrong

Whether I find a place in this world or never belong

Allemande and weave

I gotta be me, I've gotta be me

Swing your girl and promenade

What else can I be but what I am

Figure - twice for Heads, twice for Sides

Heads star thru, pass thru, right & left thru

Veer left, couples circulate

Half tag, single hinge, men trade

Spin the top, slide thru

Swing your corner, and promenade

The dream that I see makes me what I am

Middle break(Sides Face, Grand Square)

That far away prize, a world of success Is waiting for me if I heed the call Allemande and weave

I won't settle down, won't settle for less Swing your girl and promenade

As long as there's a chance that I can have it all

### Closer

(Sides Face, Grand Square)

I'll go it alone, that's how it must be

I can't be right for somebody else, if I'm not right for me

Allemande and weave

I gotta be free, I've gotta be free

Swing your girl and promenade

Daring to try, to do it or die...

I've gotta be me
