

Fascination

(KDM-149)

Called by: Chris Froggatt & Hayley Froggatt

Sydney, Australia

Opener and Middle Break
(Sides Face, Grand Square)
It was fascination, I know
And it might have ended, right then at the start
Allemande left, weave
Just a passing glance, just a brief romance
(Swing, promenade)
And I might have gone on my way empty hearted

Figure - twice for Heads, twice for Sides
Heads promenade halfway around you know
Lead right, circle four make a line
Now, pass the ocean and go
Swing thru, boys run, ferris wheel
Do a double pass thru, leaders partner trade
Left allemande, come back and promenade
Fascination turned to love

Closer
(Sides Face, Grand Square)
It was fascination, I know
Seeing you alone with the moonlight above
Allemande and weave
Then I touch your hand, and next moment I kiss you
Fascination turned to love

Tag ending
