

The Heat Is On

(KDM-156)

Called by: Chris Froggatt Sydney, Australia

Opener

(Circle left)

The heat is on, on the street

Men star right

left Allemande, weave that ring

The beat's so loud, just swing and promenade

The pressure's high, just to stay alive

Figure - twice for Heads, twice for Sides

Heads promenade go, half way round now

Lead right and circle, break and make a line of four

Up to the middle and back you go

Pass the ocean, swing thru now

Boys run right, ferris wheel...

Centres pass thru, everybody pass thru

Corner swing, promenade there

Oh, it's on the street

Cause the heat is (boom, boom, boom) on!

Middle and Break Closer

(Grand Square)

Oh-wo-ho, oh-wo-ho

Caught up in the action, I'll be looking out for you

Oh-wo-ho, oh-wo-ho

Tell me can you feel it (left allemande and weave)

The heat is on, the beat's so loud (swing, promenade)

It's on the street, the heat is... (boom, boom, boom) on!

Tag Ending

Swing her there!
