

MONSTER MASH

LM-18

CALLED BY
Corben Geis

OPENER

Sides face grand square
I was working in the lab late one night
When my eyes beheld an eerie sight
When my monster from a slab began to rise... And suddenly,...
Left Allemande and you weave the ring
(He did the mash) He did the monster mash
(He did the mash) It was a graveyard smash
(He did the mash) It caught on in a flash
(He did the mash) He did the monster mash

FIGURE

MIDDLE BREAK

Sides face grand square
From my laboratory in the Castle East
Where the master bedroom where the vampires feast
The ghouls all come from their humble abodes
To get a jolt from my electrodes
Four ladies promenade inside the ring
Come back home and everybody swing
Swing and promenade, you know he did the mash
It was a rock n roll bash, he did the monster mash

CLOSER

Sides face grand square
Out of his coffin Drac's voice did ring
Seems he was troubled by just one thing
Opened the lid and shook his fist and said
"Whatever happened to my Transylvania Twist?"
Four men promenade inside the ring
Come back home and everybody swing
Swing and promenade, you know he did the mash
It caught on in a flash, he did the monster mash

TAG. Swing her

The ghouls are having fun dancing to the band
And the monster mash is the hit of the land
