Left allemande the corner girl, dosado

Men star left in the middle it's one turn and then

Swing your own, promenade her again

I could be the best at being blue

I'm getting good at missing you

FIGURE

(Heads) square thru, four hands around to the corner

Swing thru and then

Boys run right and ferris wheel

Centers touch 1/4

Make a right hand star and roll it once around

Swing your corner, promenade that old town

I could be the best at being blue

I'm getting good at missing you
