### OPENER

Circle left

I've got a hundred dollar bill in my right boot  
That I've been saving for a rainy day  
Walk all around that corner  
You're gonna seesaw around your girl  
4 men star by the right inside that ring  
Find your corner allemande left, come on back and swing  
Swing the little lady around and promenade  
I'm gonna hit that state line in a freedom state of mind, boy  
I've got everything I own, I'm headin' west

### FIGURE

1 & 3 (2 & 4) square thru 4 hands around now  
Around the corner lady there you dosado  
Swing thru tonight, all the boys run to the right  
Tag your line, face to the right  
Wheel & deal, pull 'em on around  
Turn thru & you go left allemande now  
Swing that girl and promenade  
I'm gonna hit that state line in a freedom state of mind, boy  
I've got everything I own, I'm headin' west

Headin' west, another town, another place  
Headin' west, got the sunshine in my face  
Leavin' bad times behind me, I'm bound for movin' on  
I've got everything I own, I'm headin' west  
4 ladies chain, you turn that girl now, chain her home, boy
