RH-904

Called by

OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade, you go walking around that ring
Get back and swing your man around
Well now you join hands and circle to the left
Go movin' around that ring
Do an allemande your corner, weave that ring
Well, we can rope 'em on the desert
Swing your girl and promenade
She said she'd be my Cinderella
If I'd be her cowboy man

FIGURE

Head (side) couples square thru in the middle
Get 4 and go
When you see your corner, dosado
You swing thru, all girls fold behind those boys
You peel your top & a right & left thru
Square thru 3 hands around and swing
Swing your girl and promenade
She said she'd be my Cinderella
If I'd be her cowboy man

TAG

Swing 'em boys
I said I'd be her cowboy man
