Just like the white winged dove sings a song sounds like she's singing  
Whoo (baby), whoo (said), whoo  
You'll do a left allemande, dosado and then  
Left allemande, got to weave the ring my friend  
And the days go by like a strand in the wind  
Dosado that girl and promenade again  
Saying to my friends, baby  
Nothing else matters

### FIGURE

Head (side) couples square thru 4 hands around the ring you go now  
Meet your corner girl, do a curlique and then

You recycle, go right & left thru  
Swing the corner lady, promenade
