OPENNER

I can feel a new expression on my face
The Men Star Right, turn it once around to place
Allemande left and weave the ring
I can hear the guitars playing lovely tunes
Swing your girl and Promenade
Everytime when you, walk in the room

Head couples square thru go four hands, you move it along
Dosado her, you Touch 1/4, Scoot Back and then
Single Hinge, Girls Trade, Swing Thru and then
Boys Run Right, you Tag the Line all the way thru
The Girls Turn Back, Swing your man and Promenade her
Everytime when you, walk in the room

MIDDLE BREAK

Four Ladies Chain 3/4, turn your girl, and Rollaway
Circle Left now, Anytime that someone calls your name
Allemande left and weave the ring
Trumpet sounds and I hear thunder boom
Swing your girl, Promenade her
Everytime when you, walk in the room

ENDING

Sides face Grand Square
I close my eyes for a second I pretend it's me you want
Meanwhile I try to act so nonchalant
Allemande left and weave the ring
I see a summer's night with a magic moon
Swing your girl Promenade
Everytime when you, walk in the room
