

# Love On The Loose, Heart On The Run

SIR-323

Called by  
Paul Bristow

## OPENER / MIDDLE BREAK / CLOSER

Four ladies chain, you're gonna turn with this girl  
Why don't you chain her back home  
Join up your hands, circle left go round the world  
You do an allemande left your corner, weave the ring  
Well, think what you want and do what you may  
Swing a little girl, promenade her I say  
Like a fast movin' train, or a slow settin' sun  
She's a love on the loose and a heart on the run

## FIGURE

Head couples square thru and you get all four you know  
With the sides do the right and left thru  
Half sashay, you touch 1/4, the centers trade and then  
Swing thru, the centers run to the right  
You tag the line all the way through  
Lead couples do a u-turn back and swing  
Swing a little girl, promenade round the ring  
Like a fast movin' train, or a slow settin' sun  
She's a love on the loose and a heart on the run

## TAG

Swing your girl  
On the loose and a heart on the run
