SIR-330

Called by
Paul Bristow

OPENER - MIDDLE

You do an allemande left to the alamo style
Now balance out and in - Swing thru go forward two
Balance once again - Swing thru and now
Turn the partner by the right
Left allemande your corner girl and weave the ring
Each time we have a quarrel, it almost breaks my heart
You swing your girl and Promenade - I swear we'll never part
Each night I ask the stars up above
Why must I be a teenager in Love?

FIGURE

To the corner lady dosado that lady now
You swing thru go forward two and then the boy run right

You turn the lady pass the ocean, All eight circulate
Swing your corner you promenade the ring
Each night I ask the stars up above
Why must I be a teenager in Love?
