Original Lyrics

So you met someone who set you back on your heels - goody, goody  
You met someone and now you know how it feels - goody, goody  
You gave him your heart too  
Just as I gave mine to you  
And he broke it in little pieces  
Now how do you do

You lie awake just singing the blues all night - goody, goody  
And you think that loves a barrel of dynamite  
Hooray and hallelujah  
You had it coming to ya  
Goody goody for him, goody goody for me  
I hope your satisfied you rascal you  
I hope your satisfied 'cause you got yours

Do you remember me sittin' all alone waitin' for the tinkle of the telephone?  
Now the action jackson's turned right around, goody goody!  
Yes you remember me, I was all for you, sittin' waitin' hoping like you told me too.  
Now the action jackson's turned right around

So you met someone who set you back on your heels, goody goody!  
So you met someone and now you know how it feels, hurray and hallelujah, you had it comin to ya.  
Goody goody for her.  
Goody goody for me.  
And I hope she tans your hide you rascal, I hope your satisfied you rascal.  
So goody good good for me you rascal you!
