## **Hot Love**

TT 017

### ***Opener***

#### **Sides face grand square**

Well she's my woman of gold  
And she's not very old - a ha ha  
Well she's my woman of gold  
And she's not very old - a ha ha

#### **Left alemande and weave the ring**

Well she's faster than most  
And she lives on the coast a ha ha

#### **Swing that girl and promenade**

I don't mean to be bold,  
a-but a-may I hold your hand?

### ***Figure***

The **heads square thru four hands** around that big old ring

That's what you do, **Dosado** your corner

**Swing thru** and then, **boys run** to the right

**Bend the line, right and left thru** there in time

**Flutterwheel** across, **slide thru**

**Swing** that lady **promenade**

I'll be there to hold you  
Don't be afraid of the dark

### ***Break/closer***

#### **Sides face grand square**

Lalala...

(listen called side)

#### **Left alemande and weave the ring**

Well she's faster than most  
And she lives on the coast a ha ha

#### **Swing that girl and promenade**

I don't mean to be bold,  
a-but a-may I hold your hand?

### ***Tag***
