Oceanside again

TT 018

Open

Sides Face Grand Square

I love the ocean, I'm from Nova Scotia
And - summer's in the air
And I'm heading to my cabin, where crazy things happen
When my friends meet me there, **allemande and weave**
Rush hour ain't pretty, the heat in the city
Swing and promenade (od.: It can get me down sometime)
So, I'm seeking relief with my friend Alex Keith
And a great big bottle of wine

Figure

Heads **square thru** you count it four hands around now
You find the corner lady do a **dosado**
Why don't you swing thru and then, **boys run** to the right
Bend the line, right and left thru
Do a **flutterwheel** all around and you all **slide thru**
Swing your corner girl and you **promenade**
Gettin' tight, having fun, we ain't hurtin' anyone
Oceanside again

Break

Sides Face Grand Square

The night is fallin' and darkness is callin'
But the fun's just begun
Cause we sit around the fire, until the wee hours
And greet the morning sun **allemande and weave**
We'll dance a little, cause Tom got his fiddle
He'll be rippin' out a reel
And try as I may, no words can convey
How good it feels

Close

Sides Face Grand Square

Rantin' and ravin', we're misbehavin'
But that's alright now and then
Gettin' tight, having fun, we ain't hurtin' anyone
Oceanside again
4 boys promenade
Swing and promenade
Gettin' tight, having fun, we ain't hurtin' any-oooone
Oceanside again
