OPENER/MIDDLE BREAK/CLOSER
(Circle Left)

* I'm no stranger to lovin' arms
** I'm accustomed to the ladies charms
Allemande the corner, come home a dosado
4 men star left once around you'll go
Turn partner right, your corners allemande
Come back, swing and promenade the land
You came along and made my world turn bright
I've never been so loved in all my life

FIGURE
(Heads/Sides) Promenade ½ way you go
Lead to the right, circle up 4 you know
Break out to a line, go forward and back
Right and Left thru, turn 'em around
Pass thru, tag the line
Cloverleaf, zoom, swing corner
I'm gonna need you till the day I die
I've never been so loved in all my life
