Called By  
Kevin Robinson

### OPENER

Circle Left  
Every day I read ads in the paper  
Saying come to the islands  
Men Star Right, one time along  
Left Allemande, Weave The Ring  
My heavenly haven  
Where I can spend eternity  
You're my Jamaica  
Your paradise to me

### FIGURES

Head/Side two, Square Thru four hands you go  
With the Corner you find a Do Si Do  
Touch A Quarter, Split Circulate  
Boys Run, and Reverse the Flutter there  
Walk it up to the middle and come right back  
Slide Thru, Swing the Corner  
and Promenade her you do  
You're my Jamaica  
Your paradise to me
