Called By Mel Wilkerson

WWI-1037

### OPENER - MIDDLE BREAK

Circle left

Well, I remember the year that Clayton Delaney died

The men star right go one time around inside

Left allemande and weave

His calling made a big impression on me

Dosado with the lady, promenade

There ain't no money in that calling, it'll lead you to an early grave"

### FIGURE

Heads Square Thru and get four hands and move it around

Turn Thru, come back and then Trade By

Dosado the outside two

Swing Thru and then Single Hinge

Ladies Trade

Square Thru 3

Swing Corner and Promenade

Well, I remember the year that Clayton Delaney died

### CLOSER

Sides face, grand square

I remember the year that Clayton Delaney died

They said for the last two weeks that that poor man suffered and cried

Heads face grand square

It made a big impression on me although I was a barefoot kid

But he started me calling, and I'm glad that he did

Allemande left and promenade

Yeah, I remember the year that Clayton Delaney died – no tag

Alt lyrics Middle break When Clayton died, I made him a promise, I would carry on calling somehow
