Everybody's Talkin

CK-92

OPENER
Circle left
Everybody's talkin' at me
I can't hear a word they're saying
The men star by the right go once around the ring
Left allemande and weave that ring
People stop and star
Swing the girl and promenade the square
It's only the shadows of their eyes

FIGURE
Well now the heads square thru and count 'em four hands around go
Find that corner do a dosado
Swing thru, boys run right and tag the line, face to the right
Do a wheel & deal tonight,
Touch 1/4, scoot back and go now
Swing that corner, promenade along
It's only the echos of my mind

MIDDLE BREAK
Sides face, grand square
I'm going where the sun keeps shining
Through the pouring rain
Going where the weather suits my clothes
Ladies chain over and back
Banking off of the northeast wind
You promenade your girl
Skipping over the ocean like a stone
