## Tennessee Six Strings

CK-99

Called By  
Dary Clendenin

### OPENER - MIDDLE BREAK - CLOSER

Circle left

\*I love to hear the sound of a Tennessee flat top  
Ringin' off of the walls  
You'll do an allemande left the corner, come back a dosado  
Left allemande and weave that old hall  
Just let the drums and bass set a honky tonk pace  
Swing that lady round and promenade  
And let me hear that six string Tennessee flat top  
Grand old open hole ring

### FIGURE

Here's where the heads square thru and count 'em 4 hands around  
Find the corner girl a dosado  
Swing thru tonight, let the boys run right  
Ferris wheel into the middle you go, centers pass thru  
Touch 1/4 there, scoot back I sing  
Swing the corner girl and promenade  
And let me hear that six string Tennessee flat top  
Grand old open hole ring

### ALTERNATE LYRICS

\*Let it ring out fine in a song about wine  
Or a cheatin' heart causin' pain
