The Royal Guardsmen's
SNOOPY'S CHRISTMAS
*Called by CorBen Geis * Dedicated to Jack Berg*

Intro: The Red Baron yelling at Snoopy in German!

OPENER:SFGS

The news had come out in the first world war
The bloody red baron was flying once more
The allied command ignored all their own men
And called on Snoopy to do it again
Circle left Christmas bells, those Christmas bells
(Sang out across the land)
Left allemande and **promenade**
Asking peace of all the world, and good will to men

FIGURE (Heads twice, Sides twice)

Heads (sides) promenade halfway you march,
Lead to the right, Circle up four
and **break make your line**
Without a stop **slide thru**, and **dosado** ...

...Eight chain five across the ring you fly
*The night before Christmas, it was forty below
Swing old Snoopy and **promen-o**
To find the red baron seriously they fought
With ice on his wings, Snoopy knew he was lost

MIDDLE BREAK: SFGS

The baron made Snoopy fly to the right
And forced him to land behind enemy lines
Snoopy was certain that this was the end
When the baron cried out "Merry Christmas, my friend!"

CLOSER: SFGS

Christmas Bells! Oh, those Christmas Bells!
Sang out across the land! Asking peace to all the world!
And, good will to men! **4 Ladies Promenade inside that ring**
Get back home swing old Snoopy 'round and promenade
Asking peace of all the world, and good will to men!

Corben Geis
as Jack Berg *playing The Red Baron*

Additional 8 CHAIN 5 lyrics
*The baron had Snoopy dead in his sights
Swing poor Snoopy and **promenade** tonight
Why he didn't shoot we will never know
Or was it the bells from the village below?

*The baron then offered a holiday toast
(make a popping sound with finger and cheek)
Swing old Snoopy and **promenade home**
With a roar they were both on their way
Each knowing they'd meet some other day
