OPENER - MIDDLE BREAK

Sides face, grand square
I fell in love again last night
You keep doing everything just right
Four ladies chain
Turn your girl and you chain her back home
Keep your lady and you promenade her home
I fell in love again last night
When you kissed me

FIGURE

Heads star thru, double pass thru
Cloverleaf, move around and then
Pass thru, touch 1/4
Scoot back, boys run
Right & left thru and turn your girl
Square thru 3, 3 hands around
Swing that corner girl and promenade
I fell in love again last night

FIGURE (ALTERNATE)

Sides square thru 4 hands around
Make a right hand star and turn
Sides star left, you travel one time around
Same two rollaway, pass thru, U-turn back
Swing that corner girl and promenade
I fell in love again last night

CLOSER

Heads in grand parade
I fell in love again last night
You keep doing everything just right
You've got me wrapped around your fingers
Every morning the love still lingers
I fell in love again last night
Swing her there
