

Little Did I Know

GMP-1012

Called by
Lone Blume

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

*Little did I know that leaving you was the hardest thing to do

Little did I know your eyes so blue, tender as the morning dew

Allemande and weave

But a rain will fall when we meet again, washing all our troubles gently

Like a thousand tears falling from a God tenderly

FIGURE

Heads you square thru go 4 hands round

Dosado that corner girl

Swing thru and then the boys run right

Tag the line and face it in

Girls load the boat, boys square thru 4 hands round I sing

You swing and promenade her

Like a thousand tears falling from a God tenderly
