

Sometimes When We Touch

GMP-1102

Called by
Doug Bennett & Lone Blume

OPENER

Sides face, grand square
You ask me if I love you
And I choke on my reply
I'd rather hurt you honestly
Than mislead you with a lie
Allemande and weave
I wanna hold ya till I die
Until we both break down and cry
I wanna hold ya
Until the fear in me subsides

FIGURE

Heads (sides) square thru go 4 hands round
Dosado that corner girl
Swing thru and then, the boys cross run
Girls trade, girls run
You bend the line, flutter wheel across
Slide thru, swing and all promenade
I wanna hold ya, until the fear in me subsides

MIDDLE BREAK

Sides face, grand square
Sometimes when we touch
The honesty's too much
And I have to close my eyes and cry
Allemande and weave
I wanna hold ya till I die
Until we both break down and cry
I wanna hold ya
Until the fear in me subsides

CLOSER

Sides face, grand square
At times I understand you
And I know how hard you try
I've watched while love commands you
And I've watched love pass you by
Allemande and weave
I wanna hold ya till I die
Until we both break down and cry
I wanna hold ya, until the fear in me subsides

TAG

I wanna hold ya, until the fear in me subsides
