### OPENER - MIDDLE BREAK - CLOSER

Circle left

As you lie in my arms my heart's on my sleeve  
Words come so hard in moments like these  
Walk around the corner lady, see saw round your girl  
Allemande left that corner lady, weave around the worl  
As long as the tide ebbs, the earth turns, the sun sets  
I promise I'll always be true  
As long as there's stars over Texas  
I'll hang the moon for you

### FIGURE

Heads promenade and go halfway around  
Down the middle with a right & left thru  
Turn the girl and then  
Square thru in the middle and count 4 hands around  
You make a right hand star and turn it once around  
The heads star by the left in the middle  
Go one full turn around  
Swing that corner, promenade her too  
As long as there's stars over Texas  
I'll hang the moon for you
