

That's All

GMP-910

Called by Ken Bower

OPENER

Sides face, grand square
I can only give you love that lasts forever
And a promise to be near each time you call
And the only heart I own for you and you alone
That's all, that's all
All 4 ladies chain, go straight across the ring there
You chain 'em home & turn your girl and promenade
And the only heart I own for you and you alone
That's all, that's all

FIGURE

The heads (sides) square thru & count to 4 now
Around the corner, do a dosado
Swing thru & the boys trade
Boys run right, bend the line, a right & left thru
You flutter wheel now for a love that lasts forever
Reverse your flutterwheel and keep her, promenade
And the only heart I own for you and you alone
That's all, (that's all)

MIDDLE BREAK

Sides face, grand square
I can only give you country walks in springtime
And a hand to hold when leaves begin to fall
And a love who's burning bright will warm the winter's night
That's all, that's all
All 4 ladies chain, go straight across the ring there
You chain 'em home & turn your girl and promenade
And a love who's burning bright will warm the winter's night
That's all, that's all

CLOSER

Sides face, grand square
If you're wondering what I'm asking in return dear
You'll be glad to know that my demands are small
Say it's me that you adore
For now and evermore
That's all, that's all
All 4 ladies chain, go straight across the ring there
You chain 'em home & turn your girl and promenade
Say it's me that you adore
For now and evermore
That's all, that's all
