All right, come on, where's that corner girl...here we go!  
Hey walk around the corner lady, see saw your own  
Join your hands, circle left round you roam  
Hey men star by the right and roll it one time and go  
Left allemande, you're gonna weave that ring now  
Yes, it's me and I'm in love again  
Swing that girl and then you promenade the land  
You know I love you, baby, yes I do  
And I'm saving all my loving just for you

**FIGURE**

Head couples square thru, you walk round the floor  
You meet the sides and then you square thru 4 more  
Go all the way, you're facing out my friend  
You tag the line all the way thru, face it in  
Pass thru, tag the line all the way thru and face it in  
Slide thru and swing that corner, promenade the land
