## Ferry Cross The Mersey

GMP-944

Called by  
Paul Bristow

### OPENER - MIDDLE BREAK - CLOSER

Circle left

Life...goes on day after day

Men star right, turn it one time I say

Allemande left and weave the ring

So ferry cross the Mersey, cause this land's the place I love

And here I'll stay...and here I'll stay

### FIGURE

Heads square thru (people around every corner)

Dosado (they seem to smile and say), touch 1/4

Split circulate, boys run right now

Reverse flutter wheel go full around that way

Dixie style now, boys you cross fold

Swing that corner girl and all will promenade

This land I love...and here I'll stay
