

Dancing Moon

HLR-30

CALLED BY
Mr. Koji Harai

Opener Circle left

That dancing moon is on the water
Do you feel inclined romantically
Allemande left your corner, do a dosado
Allemande that corner and weave
You've been thinking love won't find you
Swing your girl and promenade
And if your heart has got a mind to
You could love someone like me

FIGURE (Heads twice, Sides twice)

Heads promenade go halfway around now
Lead right and circle to a line Pass the ocean
Boys Circulate Girls trade Swing thru
Boys run right Tag the line all the way
Girls U turn back, swing your corner, promenade
If your heart has got a mind to
You could love someone like me

Middle Circle left

Ain't no place you should be goin'
Ain't no need for you to leave
Allemande left your corner, Do a dosado
Allemande that corner and weave
Someone else might try to find you
Swing your girl and promenade
And if your heart has got a mind to
You could love someone like me

Ending

4 boys promenade inside the ring
Get home and swing with your girl
Join hands circle go walking around the hall
Allemande left that corner and weave
You've been thinking love won't find you
honey, wait right here and see
And if your heart has got a mind to
You could love someone like me
