

Next Door To An Angel

Called By Michael Johnstone

WK-2001

OPENER - MIDDLE BREAK Mainstream

Sides face, grand square

*I'm living right next door to an angel

And I just found out today

I'm living right next door to an angel

And she only lives a house away

Well now those 4 ladies chain, you turn her and then

Chain those ladies right back, promenade her again

I'm living right next door to an angel

And I'm gonna make that angel mine

FIGURE

The heads you promenade and go halfway

Down the middle, do the right & left thru

Square thru and a get me 4 hands

Dosado with the outside two

You're gonna swing thru and the boys will trade and turn thru

Left allemande and promenade her you do

I'm living right next door to an angel

And I'm gonna make that angel mine

ADDITIONAL LYRICS

*Since I saw her this morning, I'm on cloud number nine

Such a garden of Eden, at the house next door to mine

*I saw her walking down Main Street and I couldn't believe my eyes

It used to be such a plain street, but now it's paradise
