OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade go once around in time
Get on home and swing, swing your man in time
Join hands and circle left, go moving around you know
Left allemande that corner girl and weave the ring you go
Wind in and out around until you meet your maid
Dosado, go once around, and promenade that way
*She said you got me figured out but I'm not what I seem
And for a dance I'll tell you about these tight fittin' jeans

FIGURE

Heads (sides) lead to the right, circle up 4 and you make a line
Move up to the middle and come on back
A right and left thru in time
When you're through, you pass thru, and wheel & deal you know
Centers zoom, new centers swing thru and go
Turn thru and then, swing that corner friend
Left allemande, come back and promenade that land
**Tonight she left those crystal candlelights to live a dream
Partner there's a tiger in tight fittin' jeans

ALTERNATE LYRICS

*As she played out her fantasy before my eyes it seemed
The cowgirl came alive inside those tight fittin' jeans

Lord I loved that lady wearing tight fittin' jeans

The night I knew a lady wearing tight fittin' jeans
