### OPENER

(She got the gold mine, I got the...)

Sides face grand square

Well I guess it was back in '63 when my cookin' got the better of me

So I asked this little girl I was goin' with to be my wife

Well she said she would, so I said "I do", but I would of said I wouldn't

If I had just knew how saying "I do" was gonna screw up the rest of my life

Circle to the left

She got the gold mine, I got the shaft

Allemande left the corner, swing the partner, promenade

Well it all sounds sorta funny, but it hurts too much to laugh

She got the gold mine, I got the shaft

### FIGURE

Heads square thru 4 hands

Dosado corner, swing thru

Spin the top, right & left thru

Send her back flutter wheel, sweep 1/4 more

Swing the corner, promenade

### MIDDLE BREAK

(She got the gold mine, I got the...)

Sides face grand square

Well it wasn't too long till the lust all died, I admit I wasn't too surprised

When I came home and found my suitcase setting out in the front porch

Well I tried to get in, she changed the lock, then I found a note on the mailbox

It said "So long, turkey, my attorney will be in touch"

I decided to give her her share...

### CLOSER

(She got the gold mine, I got the...)

They gave her the color television set, the house, the kids and both cars

I'm tellin' you, son, they have made a mistake; it all adds up to more than this cowboy makes

While she's livin' like a queen on alimony, I'm workin' two shifts, eatin' bologna

I'm totin' food stamps, get it, Judge, you hillbilly?
